CS-335-04 Project-1 Cella Ant 12 – Standup Status Report

Standup Status: CS-335-04 Project-1 Cella Ant 12   **FILE:** Standup-Status.pdf
Team: Goose = Anthony Goossens

Anthony:
  1. **Completed** 9/28/19**:** (Creating both assets files "draw-stuff.js", "styles.css". Create the main.html file that calls functions derived in assets folder.)
  2. **Plan to complete** 9/28/19 11:00 p.m.**:** #2 (Fix Ant Moving Only Right)
  3. **Obstacles:** Ant does not want to start in the center.

Progress List (& implied WBS)

Ready:
> **Draw-stuff.js :** Used for function definitions and in charge of creating the grid
> **Styles,css:** Used to set the style and color of the grid
> **Main.html:** An html file that calls functions from both "draw-stuff.js" and "styles.css" then
>> Loops through to send the ant on its voyage.
>> **#1 Draw:** Anthony began work on 9/25/19
>> **#2 Style:** Anthony began work on 9/2519
>> **#3 Main:** Anthony began work on 9/28/19

Working: Anthony Goossens 9/25/19
> **WK:** draw-stuff.js – stuck on assigning colors to cells
> **WK:** styles.css – used provide code by professor
> **WK:** main.html – complicated and need outside help to finish

Done & Verified
> **#1 Finished Draw:** (Wk by Anthony 9/25-9/25)
> **#2 Finished Style:** (Wk by Anthony 9/25-9/2)
> **#3 Finished Main:** (Wk by Anthony 9/25-9/2)

Issues:
> o- Ant for some odd reason keeps starting in the top right corner and bugs out going right.
> o- Grid finally has a title and properly displays names
